“HERE WE COME A-WASSAILING,  
 AMONG THE LEAVES SO GREEN ...”

To hold a wassail is to carouse, to sing good wishes, carols and the like from house to house at Christmas.

In the past, various different groups have take it upon themselves to organise carol singing around our villages. There have been the brownies, the guides and enthusiastic villagers and probably other groups I don't know of throughout the years. If you have ever taken part on one of these occasions you will know that is requires a little organisation beforehand together with warm, sensible clothes and footwear, illumination, carols and, of course, your voice on the night.

It is always a wonderful experience to go with friends from house to house singing. People, whilst also hopefully enjoying our singing, are always generous with their giving to whichever charity the proceeds are being donated to that year.

My brother and I, as children, used to go carol singing every year round our village. As an adult I have taken the brownies carol singing here and also been part of the group of villagers who leg it around the houses at that time. On one memorable occasion within the last few years it snowed while we were out - it was also bitterly cold! - making us think vividly as to what Christmas is really about. Not the buying up of goods from shops but the more simple pleasure of being with one's family and friends commemorating the birth of Christ.

So to all our readers I raise my wassail cup and wassail (salute) your health with the wassail ale (made with roasted apples, sugar, nutmeg and toast) and wish you health and happiness whilst wassailing with your friends and family.

Have a peaceful Christmas.

Leonie Henderson

The Rectory, Hall Road, Great Bromley, CO7 7TS

Dear Parishioner

"It's your busy time of year Rector" goes the call, and yes, December is quite rightly busy for Rectors. I say quite rightly because we are celebrating what Christians believe to be the most important thing to ever happen in our world, that God chose to come to earth and be born of a woman and live as one of us.

It's not an easy thing to get one's head around and has always been seen as impossible by some that, in the person of Jesus Christ, God should dwell fully human and fully divine. But that is what we believe and what marks us out from others, that the God we worship as father, knows intimately what we are going through, not just because he created us, but also because he has lived on earth like one of us.

That makes me feel secure and gives me hope, so I'm happy to be busy celebrating with others and sharing the joy. The shoeboxes, which many of you have filled with gifts, are now on their way to children of what nation, colour or creed, I do not know. What I do know is that when they receive and open them, they will be aware that someone who they cannot see, loves them, and wishes their lives to be better because of Christmass, just as if Jesus has been born again in us.

May your busyness in celebrating bring peace to you and yours and to the world.

Fr Nicolas.

## ST JOHN EYE HOSPITAL, JERUSALEM

St. John Eye Hospital Jerusalem is a centre of excellence providing ophthalmic care of high quality and relevance to the people of the Holy Land irrespective of race, creed, social class and ability to pay.

Locals and parishioners of Gt Bromley and Ardleigh have supported this hospital in Jerusalem for quite a few years. The staff at the hospital always respond to ever more difficult times with optimism and have recently set up a second outreach team and mobile clinic for those who are unable to travel to the hospital.

Please sort out any surplus soft toys for the patients in the Children's Ward. These children are given a toy as a comforter which they take home with them after their stay in hospital.

Please leave them in St George's Church, or drop them off at Michaelmas House, or phone Pru on 231115 to arrange collection.

Many thanks

*Pru Simons.*

## CONKERS CONQUER THE STONES

Many of you will remember the Millennium weekend when the whole village took part in a "Stone" gathering. And how much they too recall it, and with such joy! Father Nicolas and I recently visited historic Boston where the Stone brothers sailed up the Charles river in 1635 and set up their farms. It is a beautiful part although most of their land is now covered by substantial Boston buildings.

It is quite astonishing to find so many local names around the area: Colchester, Billerica, Braintree, Norwich, Dedham, Haverhill etc. where East Anglians had settled in the 17th century and after.

We were lucky to have wonderful hospitality in Boston which we enjoyed with Susanne Page and Ben Stone, so we were able to explore the area for a day or two before the Stone gathering. The first day we became real tourists taking a WW2 SUKH (an amphibious vehicle) on a guided tour of the town and the great river, so we were shown all the historic areas, the discourse albeit peppered with tales of pop and film star stories.

It is a gracious leafy town with very fine 18th century buildings, many still privately occupied; there is much wealth in this city.

Susanne and I deserted Fr Nicolas one day and drove to Cape Cod, staying a night in a wonderful place on the shore, The Lighthouse Inn, selected from the internet with a

privately owned and working lighthouse and ... rub your eyes! ... it turned out to be run by one Gregory Stone and family, direct descendants of our

Simon. A number of the family were there to celebrate the life of the grandfather whose funeral

was the following day. They embraced us as long lost relatives with assurances that they will all come over to Great Bromley; they had not previously been aware of the living Stone connection with St George's. There is now a dream that there might be a get together, hopefully with Bromley people too, at this lovely place in a couple of years. Who is up for it?

All the Stones we met cherish their background, many of whom have visited in the past. We even met the grandson of the initiator of the Stone window. Genealogical records and photos were also shared at the Wayside Inn, Sudbury, with its connections with Longfellow, where 22 of us gathered for lunch. Ben Stone and Susanne were the links, together with Fr Nicolas and myself uniting the gathering many of whom were meeting for the first time.

The conkers I had brought from Great Bromley were a great success. The seeds, their roots and the flowering branches likened to those who had planted their roots in the USA. The colours of the Fall had not reached their peak, but they lent glory to the elegant wooden colonial style houses of the area. That evening there was a very lively get together in a Tapas restaurant in Boston - which is a really swinging place!

Sunday took us to the very high church service with beautiful singing, before we set off with Sally (Susanne's sister) and husband, Thor, on a tour of the burial grounds of the Stone family: St Aubin cemetery, Watertown (Simon) and Harvard University yard in Cambridge where Gregory is buried.

We bring back messages of love, friendship and remembrance and we look forward to 23rd April, St George's Day, 2005 when some of the Stones will definitely be with us. I know they will receive the usual welcome from the parishioners, so well recalled by those who have visited in the past.

## WOMEN'S INSTITUTE

It didn't seem possible that November was here again and time for us to hold our Annual Meeting when we elect our Officers and committee for the ensuing year. Mrs Susan Gunson, Women's Institute Adviser (WIA), came along to guide us through the procedure.

Mrs Ann Jones agreed to be our President for a third year and officers and committee also agreed to serve for a further 12 months. The re-elected committee is as follows:

Mrs Ann Jones President  
 Mrs Mary Clarke Secretary  
 Mrs Susan Orriss Treasurer  
 Mrs Paula Bradshaw Vice President  
 Mrs Gwen Barrell committee  
 Mrs Jean Delgety

committee Mrs Sylvia Mangan committee After the elections, Mrs Gunson told us how she became a WI member some 25 years ago, not knowing much about our organisation but gradually through the years she became involved.

We hope you came along and supported the WI and Village Hall at their jointly run Christmas Fayre in the Hall on Saturday, 20th November and thank you all for that, all proceeds will be split equally between the two.

In December, we will be at "The Cross Inn" for our Christmas meal together. On behalf of all WEI members, I would like to take the opportunity to send "Seasons Greetings" to everyone.

*June Willgress*

## FRIENDSHIP CLUB

NO - it was not Leonie or the printers who got the competition wrong - it was yours truly! It should have read "a scarf" - sorry!

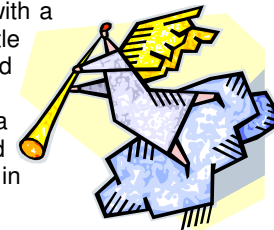

By the time you read this entry you will have had, and enjoyed, your Christmas lunch and I am sure you will all join me in saying a big Thank You to Richard and Brenda and to wish them a very happy Christmas.

At our last meeting we were taken on a journey through Walton Backwaters with slides showing the wildlife.

Make a note in your diary, the last meeting of the year is 16th December when we will have our own "tea party" at the Hall with a BUMPER RAFFLE. If you can contribute a little something to put on the table it would be appreciated - thanks.

Can't get it wrong this time as there will not be a competition! To EVERYONE we wish a happy and peaceful Christmas and look forward to seeing you in the New Year.

## NEWS FROM THE DOCTORS' SURGERY

### GREAT BENTLEY SURGERY

THE HOLLIES, THE GREEN, GT BENTLEY

It's nice for a change to be able to write something about a patient.

Normally the rules of confidentiality mean that we can't even admit that someone is registered here, (as if you didn't all see each other coming and going!), but I know that this particular lady will be delighted to see her name in print.

For the whole of October, we collected money for Breast Cancer Research. Our book money went to them, and Val Jolly, our ace prescription issuer, organised a box full of pink items - pink being the "Breast Awareness" campaign colour - as a prize for the person who got closest to guessing their total value. There was a teddy, a scarf, a pen, various bathroom bits and pieces - all pink - even a bottle of pink wine. Anyway, the winner was a lovely old friend of ours, Queenie Hoare of Thorrington. Val says that she has never known anybody so excited as Queenie was when she heard that she had won. When I saw her a few days ago she was still full of it and said that this was the biggest prize she had ever won in her life.

I hear that the teddy has taken up residence on Queenie's bedside table and rumour has it that she slipped the bottle of wine to our receptionist, Tony. (I hope you didn't have any ulterior motive there, Queenie!) By the way, thanks to everyone who contributed to the collection by whatever means. The eventual total was £295 which was a tremendous effort. Then, to cap it all, Queenie then insisted on topping the sum up to £300. Thanks Queenie, and congratulations!

Another bit of nice news is that a few days ago we had our first births within the practice for several years. Dr Bhatti had

a baby girl, Niamh, (it's Irish and pronounced "Neeve") on 8th November. Niamh and Mother are both well, Dad is understandably proud, while sister Aoife and brother Danny can't decide

whether they are pleased to have a new playmate or jealous of all the attention she is getting.

By one of life's coincidences, Donna, wife of Joe Knatt our Superintendent Pharmacist, also had a little girl, Alisha, just three days earlier. Again, all is well. Alisha is Donna and Joe's first baby - little do they know what they have let themselves in for. Best wishes and many congratulations to all concerned.

We are coming up to that time again when everything seems to go mad on the prescription front. I'm not sure why being closed for an extra two days should make us so busy, but it does. Please help us by getting your requests in a few days earlier than usual. That way, hopefully, there won't be quite such a mad rush in the days leading up to Christmas.

Just in case anyone doesn't know, prescriptions can be ordered by post, by fax (01206 252496) or by e-mail (postmaster@gp-f81021.nhs.uk), as well as in person. We don't take orders over the 'phone though, as there is too much risk of errors and they would block up our telephone lines.

Finally for this month, we are always looking to improve or streamline our services here at the surgery. So, if you can think of any way in which we might be able to do things better, please let us know. If it turns out to be something that is totally impractical we will say so, but patients' input is always welcome, especially positive suggestions.

## KITCHEN CORNER

Christmas is always a busy time in the kitchen, with holidays and entertaining friends and family. I find it helps to make some batches of mincepies to keep in the freezer, usually uncooked, to just take out and bake when needed. I also ring the changes by doing some with orange flavoured pastry - add grated zest to the mixture and use juice of the orange to mix instead of water. Vary them too, by making some with lids and others with stamped out shapes on top. It is also a help to do some advance preparations such as breadcrumbs for sauce, brandy butter, chopped herbs for stuffings, soups, sausage rolls. All these will keep several days in the fridge or can be frozen.

Don't forget if you have a frozen turkey, to make

sure it is properly thawed out before roasting, and that the juices run clear so that you know it is properly cooked. It is best not to stuff the cavity, only the neck, as this helps thorough cooking. I usually put a lemon inside the bird, or perhaps an onion, to make a good flavour for the gravy.

Happy Christmas cooking!

## GREAT BROMLEY VILLAGE HALL CHARITY TRUSTEES

### The Village Hall Management Committee

met on 9th November at the Hall. Their next scheduled meeting is on Tuesday, 4th January, 2005 at 7.30pm.

We are sometimes asked if we will allow the use of the hall free of charge for a charity fund raising event. This is not possible as one charity is not permitted to cross subsidise another charity with its funds, any funds that a charity has should be used for the purpose for which it was set up i.e. the objective as stated in its documentation. Even the Village Hall Committee has to book and hire the hall before it can run a fund raising function such as a dance.

The committee aims to treat all users of the hall fairly, spreading the burden of running and maintaining the facilities amongst the current users. Any shortfall then has to be made up by the Village Hall Committee, with fund raising events, unless some kind person organises a function and donates the proceeds to the hall. We also would like to receive a legacy which would enable us to carry out a major project such as re-roofing the

building with felt and new slates/tiles, something we have in mind that will need doing sooner rather than later.

None of the committee members (Trustees) receive payment for organizing and running the village hall. Only our caretaker is an employee and receives payment on a part time basis for attending to day to day business. Most committee members spend a considerable amount of time and energy seeing to hall affairs, often giving freely in their efforts to help the charity. So if you are thinking of organizing a charity event, why not consider giving to our worthwhile charity, Great Bromley Village Hall?

We thank you and appreciate your support at our Christmas Fayre on Saturday, 20th November, all money raised will be split equally between the Hall and the WI this year. We will be bringing back the Glen Miller Big Band sound to entertain you again in the spring on Saturday, 19th March, 2005. More information later but please book this actual date in your new diary.

May I, on behalf of the Village Hall Committee, wish you all a very Happy Christmas and the Season's Greetings for the new year.

**CARPET BOWLS**

The Sale of the Century was not so successful making just over £350, with the local tip getting the majority of the items. Thanks go to all those who contributed in items, time and effort.

The annual Christmas Sleigh collection starts in December, and we visit the Cheshire Homes on Sunday 19th December at 3.15pm for the Rotary carol singing event with Father Christmas and pressies.

We have had to reduce our nights out on our visits to Brightlingsea, Wivenhoe, Thorington, and Alresford, due to decreasing members able to collect; if anyone would like to be involved please contact me.

Charities include this year Make a Wish and the Little Haven Hospice, to each of whom we have recently given £1500 from last year's fund raising events.

I take this opportunity of wishing you all a peaceful Christmas and a new year with plenty of occasions to be involved with the community in any appropriate way.

To quote the TV sports presenters, on 17th October Great Bromley "came home with the silverware". Playing at Wix in the Warne Memorial Cup they scored the highest number of points beating Weeley, Clacton and Gt Bentley on the way. Quite an impressive looking cup which will seem twice its size when someone has to clean it during the year. Being the winning team it has to be either Jayne, Richard, Nan or Linda. I guess Richard - he is definitely outnumbered. Hard luck, Rich!!

League matches  
Three more league matches to date. We won 6-2 away to Gt Bentley, 5-3 away at Clacton Bowls and a drawn game away to Lt Clacton.

Club Pairs Competition  
This was completed on 10th November with Linda and Brian Francis defending their title against Evelyn and Andrew Childs. Both sides took the first 2-3 ends with singles. Evelyn and Andrew then came in with a 3 and a 4. Linda and Brian crept up gradually needing 5 to win on the last end. They were holding one, but Andrew kept it a close head which Linda was unable to break. The final score was 10-7 to the challengers. Well done! to all of them.

Already it is time to wish all our members and friends a very Happy Christmas and a good 2005.

### TENDRING REPLACEMENT LOCAL PLAN: POTENTIAL PRIVATE DEVELOPMENT SITES

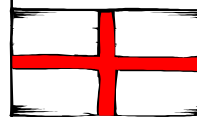

A number of residents attended the meeting for a lengthy discussion of the four sites proposed for private development. Residents were particularly concerned at the large-scale 'Oasis' development which would include an industrial estate and more than 1000 new houses. The general view was that there was no economic, employment or social rationale for the scheme and it was opposed by every major authority, including the county council and government office.

Although 'Oasis' was not an official scheme it mirrored the proposals in the district council's new local plan, and which were designed to help secure a road link between Harwich and Clacton. Residents did not consider that such a link, between the A120 and A133, would significantly benefit the local community. The likely sale and redevelopment of the Cheshire Home site was discussed and

residents expressed concern at the consequent loss of jobs. Any new houses would also put additional pressure on the local sewage works. The site did however offer possibilities of additional affordable housing, which was being sought by both the parish council and local community.

The Harwich Road and Furze Lane proposals did not look feasible as they were on green field sites outside the areas of permitted development and were difficult to access.

The parish council will be objecting to the Harwich Road, Furze Lane and Oasis proposals. Residents were also encouraged to write to the district council with their own views. If the Cheshire Home *does* sell its Great Bromley site the parish council would support a limited development on condition that it included at least 10 – 12 affordable houses.

Brenda and Richard welcome you to

## ONLY HAD A COUPLE? OK TO DRIVE?

There is **NO EXCUSE** to drink drive

### HAD A DRINK EARLIER

*For a man of average weight, it takes one hour for the body to get rid of one unit of alcohol.*

### FEEL FINE TO DRIVE

*Any amount of alcohol will affect your judgement*

### ONLY HAD A COUPLE

*Even a single drink will affect your driving performance*

### HAD A MEAL

*Alcohol just takes a little longer to get into your system, your driving will still be affected.*

### CAN HANDLE MY DRINK

*You may think you can handle your drink, but you will have difficulty judging distance and speed. Your reactions are slower, so it will take you longer to stop.*

### ONLY GOING DOWN THE ROAD

*A large proportion of all drink drive accidents occur within 3 miles of the start of the journey*

### DRIVING SLOWLY AND CAREFULLY

*Alcohol actually makes you less alert*

### WON'T GET STOPPED

*The police can ask you to take a breath test if they suspect you have been drinking, if you commit a traffic offence, or if you are involved in an accident.*

### DON'T DRINK DRIVE

### BUT I WANT TO GO OUT AND ENJOY MYSELF

You don't need to mix drinking and driving ...

- ▶ book a taxi
- ▶ use public transport
- ▶ stay overnight
- ▶ drink soft drinks until you get home
- ▶ arrange for someone who is not drinking to drive - you can take it in turns.

On average 3,000 people are killed or seriously injured each year in drink drive collisions and nearly one in seven of all deaths on the road involve drivers who are over the legal limit.
